AUTHOR BIO AND CONTACT INFO

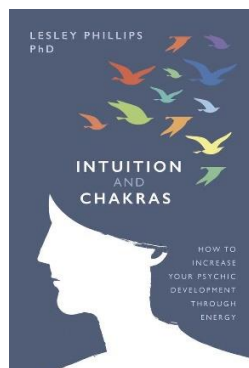

Author Biography

Dr Lesley Phillips is the **author of *Intuition and Chakras***, a book that helps you work with energy to safely open your unique profile of psychic abilities. She is a **Ph.D. scientist who became a psychic** and is now on a **mission to make the extraordinary ordinary** and the supernatural natural. Her passion is to empower others to follow their guidance. To this end, she founded the **School of Intuition**, an online psychic development school. Lesley also hosts an **award-winning radio show and podcast** called **Unlocking Your Truth**. She wants to help people **shift from mystery to mastery** when it comes to meditation, intuition and energy. She wrote her first book, *The Midas Tree*, which is a spiritual adventure novel, to make learning meditation fun for everyone, including kids. Rev. Dr. Lesley Phillips is a spiritual teacher, and energy master. She's taught 1000's over the last 20 years in classes, readings, healings and meditation. She is an **ordained minister, spiritual counselor and teacher** (C.D.M. Spiritual Teaching Center, WA, USA). Her Ph.D. is in natural product discovery. She used to search the Earth for new medicines, and was a biotech executive. This **blend of scientist and mystic** appeals to people who wish to connect intellect and intuition. Lesley grew up in the UK and Australia and has lived in Canada since 1998.
